

Range Access

Personal Use:

Our outdoor range is open for the members to use at their convenience, whenever organized activities are not scheduled. Members are responsible for opening and locking the Yensch Road gate when using the property. The gate combination is changed each year. It is found on the back of valid membership cards. Members are required to identify themselves to any club member who asks their name. Guests of members must be accompanied by the member while using the range.

Organized Activities:

Use of Club property for practice sessions, matches, sight-in days, social programs or use by an authorized organization will be established at regular business meetings or board meetings. Every effort will be made to publish such activities in advance. **Everyone should read the club newsletter to avoid disappointment by arriving at the range when it is in use by a formal program.**

Indoor Range:

Due to the problems of security, the indoor range is open only for scheduled activities.

Meetings:

Monthly business meetings are held at the clubhouse on the first Wednesday of each month at 7:30 pm. Unless noted otherwise in the monthly newsletter.

Dues:

All membership dues expire on September 30th. Dues are due by October 1 each year. After October 30th, a late charge will be applied. Members are considered delinquent after November 30th, and must re-apply for membership with initiation fee. New members who join after April 1st, pay dues for a full year, but will get pro-rated credit on the next years renewal. The gate combination is changed after October 1st.

The members annual dues to the club shall be as follows.

Active members - \$ 60.00 + 10 work or participation hours

Inactive members - \$100.00 + no work of participation hours

Senior Member \$ 60.00 + no work or participation hours and at least 60 years of age.

New members will pay the inactive rate plus the \$ 15.00 initiation fee the first year.

Spouse and children may be added for \$ 5.00 each.
